

## BP1X (Program Year 2018-2019) At a Glance

Throughout the **summer and fall of 2018**, the HMCC staff and committees will:

- Release an **enhanced website** that will allow for greater resource content, a more flexible event calendar, and member forums/news.
  - Explore the reconstitution of **two HMCC subcommittees: Planning, and Training & Exercise**
  - Design and plan for the conduct of two **redundant communications drills** during the program year
  - Review and update as needed the **HMCC Principles of Operation** and regional **Emergency Coordination Plan**
- 

Later in the **winter of 2018/19**, the HMCC staff and committees will:

- Commence a **health and medical resource inventory** within the region
- Conduct an annual regional **Hazard Vulnerability Assessment**
- **Exercise the Region 1 HMCC Emergency Coordination Plan**

In the **spring of 2018**, the HMCC staff and committees will:

- Explore **furthering executive engagement** in health and medical preparedness
- Complete resource inventory and populate the **DPH WebEOC Resource Request and Deployment Module**
