Agenda Items	Notes
1. Review agenda/introductions	Jeanne called the meeting to order at 2:00pm.
2. Approve minutes from March 2016 Steering Committee Meeting	Moved by Brian, seconded by Lucy, to accept the March minutes as written. Passed unanimously.
3. April Full Coalition Debrief	Discussed the April Coalition Meeting. People feel the overall structure of disciplinary updates, HMCC updates, and a program/presenter works well. Chad had mixed reviews. Next meeting will be the Jurisdictional Risk Assessment survey follow-up – should be towards/in Berkshires County.
4. BP1 workplan and budget	Tracy reviewed the BP1 workplan by each deliverable. No significant questions or concerns from Steering Committee. Budget review raised question of Steering Committee oversight role of budget. Steering Committee function does not include oversight of sponsoring organization budget for full coalition. Opinions and thoughts are welcome, but ratification of budget not required.
5. Steering Committee Meeting Schedule.	Reviewed the prior years meeting schedule to assess Steering Committee sense of how efficacious the schedule is. Presented group the option of a more quarterly staggered schedule (i.e., quarterly, one month before close of quarter). Group is happy with current schedule. Meeting schedule for BP1 will be:

	<p>September 26th, 2017 November 28th, 2017 (Mark and Tracy both our of state) March 27th, 2018 May 22, 2018</p>
6. Business not reasonably anticipated 48 hours prior to the meeting.	None.
7. Wrap up and adjourn	Brian moved to adjourn, Heather seconded, passed unanimously. Meeting adjourned at 3: 52 p.m.
