Further BP1X Priorities

BP1X priorities

Reconstitution of prior standing committees: **Planning**, and **Training & Exercise**.

Planning work commences next month w/JRA; **T&E** will commence later in the year.

Members interested in joining the planning committee can contact Mark: mmaloni@frcog.org.

Standing Committees

Update JRA

Standing Committees

Winter '18 through Spring '19: HMCC staff, Steering Committee, and Planning Committee will review, synthesize, and analyze existing data sets, analyses, and reports to update the Region 1 Health and Medical Jurisdictional Risk Assessment.

We hope to use the online forums as a tool to allow for engagement in the process without committing to a ton more meetings.

Standing Committees

Update JRA

Duty Officer Exercise

Scheduled for **February 2019**. Drill will likely only ask for efforts from HMCC staff and Steering Committee, testing Duty Officer's ability to rapidly convene decision-makers, and provide updated information via the web.

Update JRA

Duty Officer Exercise

Training: Operationalizing ICS

Scheduled for 1st week of May, 2019.
Exact day and location TBD.

Stay tuned - we offered this in partnership with the Del Valle Institute two years ago and people loved it!

Resource Inventory

Likely to begin in late spring 2019.

We will work with all Region 1 partners to document health and medical resources available for mutual aid/resource sharing, and populate DPH WebEOC with the data.
